PROFESSIONAL SUMMARY

B.Sc. Computer Science graduate (2026) with hands-on knowledge of Java, Spring Boot, React.js, Node.js, JavaScript, and MySQL. Experienced in developing academic web projects involving frontend development, backend functionality, and database integration. Seeking an entry-level Java Developer or Full Stack Developer role to apply technical skills and contribute to software projects.

TECHNICAL SKILLS

Programming: Java, JavaScript, Python, SQL
Core Java: OOP, Data Structures, Collections Framework, Exception Handling, Multithreading, Java 8 Stream API
Backend: Spring Boot, Hibernate, JPA, RESTful APIs, Node.js, Express.js
Frontend: HTML5, CSS3, React.js
Database: MySQL
Tools: Git, GitHub, Postman

PROJECTS

DocBook – Doctor Appointment Booking System
Technologies: HTML5, CSS3, JavaScript, Node.js, Express.js, MySQL

- Developed a full-stack web application for doctor search and appointment booking.
- Implemented user registration and login functionality for account access.
- Built RESTful APIs using Node.js and Express.js for backend operations.
- Implemented CRUD operations to manage doctor and appointment records.
- Designed a MySQL database to store and retrieve user, doctor, and booking data.
- Integrated frontend components with backend APIs for end-to-end application workflows.

Automatic Timetable Generator
Technologies: Java, Spring Boot, Spring Data JPA, Hibernate, MySQL, HTML5, CSS3, JavaScript

- Developed a web-based academic timetable management system using Java and Spring Boot.
- Created 10+ REST API endpoints for timetable and academic data management.
- Implemented CRUD operations for teachers, departments, subjects, and timetable records.
- Integrated Spring Data JPA and Hibernate for object-relational mapping and database access.
- Connected the application to MySQL for structured data storage and retrieval.
- Developed a responsive frontend and integrated it with backend REST APIs.

EDUCATION

B.Sc. Computer Science **2023 – 2026**
Saraswathi Narayanan Arts and Science College, Madurai **CGPA: 8.0/10.0**

CERTIFICATIONS

- Java Full Stack Development – Unique Innovibe
- Data Analytics Using Python – HP ICT Academy, Grade A (2025)
- A Complete Guide to Game Design – HP / edX (2025)
- English Typing Certificate
